INTRODUCTION TO GENOME MODIFICATION COURSE

Dr Alex Bird
Dr Arnaud Rondelet

MPI Dortmund
5th July 2016

10:00-12:00: Introduction to Genome modification techniques.
BACs and recombineering, CRISPR/Cas9.
Why do I need this? Which technique is right for me?

13:30-15:30: Practical aspects of sequence design, transfection, selection, etc.
BACs and recombineering, CRISPR/Cas9
